## Online Learning Workshops for Families

Our learning workshops have been designed to help you with the difficulties you are facing at the moment. They are delivered as webinars through Zoom for Healthcare's webinar platform (which complies to stringent security standards and has the appropriate privacy shield in place). A webinar is a platform where you are not visible or heard by others joining the training. You can type any questions into the chat, and these will be answered at the end of the session.

Please follow the links below and complete a short registration process. **If you are using a phone, you will need to download the Zoom app beforehand.** The details we request are kept secure, used only for commissioning purposes and to help us make the right offer to you and your family. Registration will close 30 minutes before the session.

**If you are accessing our online offer using your mobile phone, please be mindful of your data usage. If you do not have an unlimited data plan, you may need to connect to a wifi connection to prevent charges.**

If there are other topics you would like us to cover in these workshops, please let us know.
