- Reprographics rooms
- Dining room during lunch time

Signage installed to various areas of the building reminding people to wash hands regularly in line with Government guidance, to wear face coverings on school premises and to maintain social distance.

Staff and pupils are requested to keep close to the side of the corridor or walkway to maximise social distancing while others are using the opposite side. Staggered playtimes, lunchtimes and allocated stairways will minimise the potential crossover of 'bubbles'. One way system on ground floor will minimise opportunity to pass between playtime changeover.

Whole school assemblies and collective worship are not to take place during the Covid-19 pandemic. These will be undertaken in 'bubbles' where appropriate or alternatively by Zoom or pre-recorded videos.

The use of the school staff rooms is minimised to maximise social distancing between colleagues. Staff room is to be used only to prepare drinks and food. Unless absolutely necessary, staff should not eat in the staffroom with colleagues from other year groups. Staff should not be in the staffroom for more than 15 minutes with staff outside of their bubble and in these circumstances maintaining social distancing. As far as is practicable, staff should eat lunch in a sanitised area of their own classroom with class colleagues. Wipes and cleaning materials available in staff rooms for staff to clean regular contact points e.g. kettle, taps, fridge doors, cupboard drawers etc.

Adults entering classrooms from outside of the bubble should be minimised and avoided if at all possible. To minimise cross-bubble transmission, support staff should not deliver items to classes across school; staff from each bubble should collect their own supplies/materials from an agreed central distribution point. Whole school sets of letters will be left on top of the cupboard by the ground floor 'maths display' and classes will be notified by phone that letters are ready for collection.
